**Chard Metis Community  
Counselling Program**

---

Leave a message @

**780-750-1009**

and a counsellor will call you back

The Chard Metis Nation is proud to announce the launch of our community counselling program. We understand that sometimes everyone just needs someone to talk to.

We have trained counsellors who are either Indigenous or have extensive training working with Indigenous people that are ready to listen. This program is 100% confidential and free for anyone who is from the community of Janvier or is a spouse or partner of someone from the community.

In partnership with

**MEG ENERGY**
